Fundraising program for Non-Profits

Announcement

Nearly every day we get requests for donations for various fundraising events. Obviously we can't participate in every single one of these by providing donations. With that in mind, we have been working on a program where we can provide some fundraising opportunities to the local schools and non-profits.

Qualifications: In order to qualify to participate in this program an organization must:

1. Be a LOCAL non-profit organization. We may work with national organizations like the American Cancer Society from time to time but the focus of this program is the local community.
2. Complete the application to join the program.
3. Include our logo (provided in a .jpg and .ai format) on any printed material announcing your fundraiser.
4. Include the unique coupon code specific to your fundraiser on your printed material.

Details: (in a nutshell)

1. We will contribute 12% of all sales where your fundraising coupon is used.
2. This cannot be used in conjunction with any other discounts, coupons or fundraisers and wedding cakes are excluded.
3. Any organization that exceeds \$2000 in sales will get an additional 3% bonus (making a total contribution of 15%)
4. Fundraisers can last a maximum of eight weeks.

How to apply:

1. Complete the application located at www.caramandas.com/Fundraiser_Application.pdf
2. Follow the instructions on the application
3. We will reply to you within 1 week of receiving your **complete** application

How it works:

1. Come in the stores at Boston Rd, Southland Drive or the mall kiosk.
2. Choose from over 16 varieties of cupcakes or make another purchase.
3. Present the fundraising code or simply mention the organization that is participating in the program and we will track the sale.
4. At the end of your fundraiser we mail your organization a check.
